

FCC,I encourage the FCC to reject the NAB's petition 04-160 that will deny XM radio the ability to serve their listeners. I am a current subscriber to XMSR and I find the traffic and weather channels very convient and extremely useful when traveling to New York, NY and Philadelphia, PA (both cities that XM covers)which I do often for work. Please reject the NAB's attempt to stop XM's ability to provide me with the programming I want and pay for.

Thank-You
